Additional Plans

Waste Plan:

- Waste Connections will provide the following equipment:
 - One 10-12 cubic yard dumpster
 - 50-60 cardboard trash bins
- A Royal Flush will provide 12-14 portable restrooms and two wash stations.
- Overflow trash can also be disposed of at the Showroom. There is also a restroom inside the Showroom.

Electricity Plan:

- Lightning bolts (⚡) indicate electricity source.
- There are two main wired electricity sources (dotted/dashed line), which are as follows:
 - Showroom
 - Campbell Park
- There will be one generator (solid line) placed near the registration tent for operations & lighting.

Traffic Control Plan:

- Type III barricades will be placed on site and be put up on Saturday August 15th beginning at noon. Access will be restricted around the site until 10:00 pm.
- Channelizer cones will be placed on the course beginning at 7:00 pm. They will be removed after the last runner has completed the course.

Safety & Security:

- Off-duty Sheriff's Deputies will be hired for security beginning Friday August 14th at 6:00pm, until Saturday night at 11:00 pm.
- Oklahoma Contemporary will implement an emergency plan and share it with the appropriate agencies and amongst staff and volunteers.
